CERTIFICATIONS

PROFILE

Multilingual IT and application support professional with a BSc in Computer Science and hands-on experience in technical maintenance, server troubleshooting, network rollout, ERP module development, and end-user support. Google IT Support certified, with a structured, customer-oriented working style and strong cross-cultural communication skills in English, French and German.

PROFESSIONAL EXPERIENCE

Research Associate & Project Support (Technical) | FH JOANNEUM

University of Applied Sciences

Graz, Austria · Sep 2022 – Jun 2025

- Provided day-to-day technical and operational support for EU-funded research projects, including web platform updates and content troubleshooting.
- Maintained project documentation, internal tracking sheets and shared workspaces in Microsoft 365.
- Acted as point of contact for partners on access, file-sharing and basic platform issues.

Communications & Web Support (Volunteer) | West Africa Internet Governance Forum (WAIGF)

Remote · May 2025 – Present

- Maintain and update the WAIGF website, including content publishing, link checks and minor bug fixes.
- Support data entry, content management and online information requests from community members.

Analyst Developer Engineer (Application & Server Support) | Nouvelle Expertise Technique

Burkina Faso · Nov 2021 – Feb 2022

- Developed and customised Odoo ERP modules in Python and SQL for internal business processes.
- Provided application and server troubleshooting, including log analysis and deployment fixes.
- Documented technical changes and supported colleagues on day-to-day system issues.

IT Project Manager & Web Developer (Volunteer) | Internet Society (ISOC) Benin

Benin · Oct 2020 – Aug 2021

- Supported web implementation, hosting setup and technical coordination for community digital projects.
- Coordinated with volunteers to keep online services available and resolve incidents quickly.

Engineer Intern — IT Maintenance & Network Rollout | DREA-COS (Regional Government IT)

- ▶ Google IT Support Professional Certificate
- ▶ ICSI/CNSS — Certified Network Security Specialist
- ▶ Scrum Master Certification
- ▶ Project Management Foundations
- ▶ Foundations of UX Design

MEMBERSHIPS & ENGAGEMENT

- ▶ ISOC Benin — Internet Society chapter (volunteer)
- ▶ Google Developer Student Clubs — Lead alumnus
- ▶ Youth IGF Benin — Coordinator (2023–2025)

Burkina Faso · Aug 2020 – Sep 2020

- Supported on-site IT maintenance and Wi-Fi rollout across regional government buildings.
- Configured user workstations, network equipment and basic security settings.

Lead — Google Developer Student Clubs | Burkina Institute of Technology

Burkina Faso · Sep 2020 – Aug 2021

- Organised coding workshops and mentored students on web and mobile development.
- Trained peers on Git, debugging and basic IT troubleshooting practices.
